

A&H MFG WORLDWIDE

String & Hang Tag Solutions

For over 50 years, A&H Worldwide has been the global leader in product packaging. What began with the invention of the traditional earring card, has since grown to one of the largest packaging producers in the world. From jewelry carding and boxing solutions to labeling, tagging and loss prevention packaging, A&H Worldwide remains the leader in the packaging industry.

To date, A&H has produced well over 10 billion string tags. String tags are an efficient and effective way to brand your product line and label items with necessary information including branding, UPC and barcoding, pricing, taglines, disclaimers and more. As versatile as they are inexpensive, string tags are a great way to create awareness with your brand messaging literally in the palm of your customers' hands. Your brand has a unique opportunity to garner consumer attention with every string tag that your customers touch.

Fully customizable string tags have many uses and can be applied to many different types of items including jewelry, accessories, eyewear including sunglasses and eyeglasses, footwear, clothing, industrial items and more.
